

A special DENSO injector adapter Copy Copy

Product Code: 918 550 21

Availability: In Stock

Short Description

Art. 918 411 00

Description

Special adapter injector DENSO Ford / Toyota / Mazda and others

Special adapter for use with both the HP impact hammer (M18x1,5) as well as all HP hydraulic systems.

The design of the adapter allows mounting in the place of the injector body.

Application:

DENSO injectors mounted in Ford 2.2 TDCI engines and in Toyota, Mazda and other cars.
